Dear Parents,

Good Shepherd School is seeking candidates for two openings on the School Advisory Board. The deadline for submission is March 5th.

The School Advisory Board utilizes a Discernment Process instead of holding elections.

Potential candidates will be invited to a discovery meeting (date and time to be determined) in which the role and function of the School Advisory Board is outlined. After careful consideration, candidates committed to serving on the School Advisory Board notify the chairperson of their intention.

The order in which the committed candidates are selected is as follows:

1. Candidates seeking a second consecutive term (limit is (2) three-year terms)
2. Age of their children who are current and prospective students.
3. Remaining candidates will be selected by the Pastor after the School Advisory Board's consideration.

If you are interested in serving on the Good Shepherd School Advisory Board, or would like more information, please contact Tom Zellmer at Good Shepherd School, or the Policy Committee members listed below:
